# The Ballou Family

Lamphun, Thailand

## Dear Friends,

Our family spent the months of August and September visiting our family and supporting churches in America, highlighted by the wedding of Alisa's younger brother. We loved every moment shared with family members! Every opportunity we received to share updates from our ministry was a reminder that so many people are faithful to pray for God to work here in Thailand.

We saw the time spent in the States as an opportunity to encourage believers in our church here who are young in their faith to take a step forward in their love and care one for another. The last Sunday before we left had been such an encouraging day as we filled every single chair in our storefront, even with two of our team members away. It was so uplifting to watch from afar as church members stepped into serving in new ways.

Please continue to pray for "Now" and his wife May. In the time we were away, pressure on him to turn from his faith seemed to intensify. We are really hoping to see him demonstrate strong and genuine faith in Christ this month by identifying with Christ in baptism. Our next baptism service will be on the last Sunday of October as we celebrate our church's 3rd anniversary.

Blessings to you from Thailand!
